# Senior 1

The Coach: Janelle Steinberner

The Team: Nicole Crouch  
Megan Hoklas  
Kate Jolly  
Kate Langridge

Toni Martin  
Jodie May  
Alicia Swincer

The Winners: Best & Fairest – KATE JOLLY  
Best & Fairest Runner-Up – NICOLE CROUCH  
2<sup>nd</sup> Runner-Up – JODIE MAY

The 2010 season was nothing less than sensational. Sensational in many ways! We started the season with a substantially new team, we had to start over from scratch. It was the way the girls handled that change and the way they adapted that made me and I know so many of our supporters very, very proud.

Our start to the season was a mixed bag, we played great halves against the top four sides, but could not put together four quarters. However, slowly but surely we developed our game, we learnt about each other and how we best worked together. We soon hit our straps and proved to the competition that we were a side to be reckoned with.

We were blessed with such strong leadership from co-captains in Nicole Crouch and Kate Jolly who lead by example and continuously inspired the girls to push harder. New comer Kate Langridge was a breath of fresh air into our defence line who slotted in beautifully and brought a toughness to the ball which was refreshing. Our anchor in Jodie May had a stellar year, she proved to be someone we could depend on to never give in. Our goalies were under pressure all year, but they proved they could deliver. Alicia Swincer and Megan Hoklas both had excellent games and when they were both firing on the same day, we were unstoppable! Toni Martin gave us guts, unwavering dedication and put her body on the line. A team I was lucky to work with and lead this season.

We challenged the top four sides and toppled the remaining sides - we were emerging as the 5<sup>th</sup> side in the competition! The reason for this emergence is confidence, its self belief and belief in our team. The girls were now strong and defiant in their quest to prove themselves. And prove themselves they did.

We finished the season with 6 wins and finished 6<sup>th</sup> on the ladder. A slow start to the season held us back from taking out 5<sup>th</sup>. The ladder aside, the girls achieved a brilliant and sensational result from the season. They not only overcame disappointing results in the past, they created hope for the future, for the Tanunda Netball Club, they now represent a strong, dedicated and enthusiastic group of girls who want success, and most importantly deserve success.

To the girls, you made us proud every single time you took the court this season. You made me proud the way you play the game of netball, with respect, dignity and with a special eagerness to perform well for our club. Club spirit is a unique thing which is not built overnight, but this season, you made it look easy. The Tanunda Netball Club thanks you and I thank you!

I only hope that our success this year drives your determination to take it one step further next season...we'll do it together!

Janelle Steinberner

## Senior 2

The Coaches: Maria Fraser

The Team:	Kate Anthony	Linda Parbs
	Chloe Frentsch	Megan Samain
	Morgan Haines	Emma Schilling
	Lauren Martin	Jen Steer
	Kerry Morrison	Skye Underwood

The Winners: Best & Fairest – LINDA PARBS  
Best & Fairest Runner-Up – LAUREN MARTIN  
2<sup>nd</sup> Runner-Up – EMMA SCHILLING

This was the first year that I have coached a senior grade at Tanunda; training sessions were well attended by all girls even at Jane's fitness nights.

With new players and also players coming up from intermediates it took a while for these girls to play four consistent four quarters of netball. With a few injuries our team changed again bringing in Megan Samain, Chloe Frentsch and Kerry Morrison and we had to settle again. Finally our first win came in the third round against Barossa, which gave all the girls a lift to their spirits which was great to see. Our second win which was against Gawler Central by nine goals was a huge turnaround from our first match with them when we lost by thirteen goals, the girls proved to themselves that day that they had the ability to play four solid quarters of netball. Our last match of the minor rounds was a great win to end the season, especially being against Freeling.

At season end we ended up winning five games for the year. I had high expectations for the year but it didn't turn out that way. I think they needed a bit more fire in the belly but I do expect more next season. I believe the senior 2's can be successful just need to be more consistent, trust each other and I am sure that playing finals is not that far away. That is my aim to be on top of the ladder not at the bottom.

Congratulations to Morgan Haines for playing her 100<sup>th</sup> game for the Club during the season. Emma Schilling, Lauren Martin and Linda Parbs all played games in senior one and played brilliantly. Thank you to Brooke Edson (intermediate player) for playing for our team when needed. Thanks to Janelle for her support during the year and Deb Miles for being our team manager and primary carer.

Congratulations to Linda Parbs being equal fourth in the Association B&F and third in the media awards. Linda had a fantastic season also being awarded the Wohlers most successful senior player for 2010.

We now look forward to next season's challenge of improving even more as a team on court and winning more games.

See you all next year.

**María Fraser**

## Senior 3

The Coach: Fiona Hawkes

The Team:	Brooke Escheid	Kirsty Roehr
	Fiona Habermann	Heidi Schmaal
	Alice Lindner	Rebecca Terwel
	Gabrielle Marschall	Karen Underwood
	Brooke Michael	Courtenay Warren
	Genevieve Roberts	

The Winners: Best & Fairest – REBECCA TERWEL  
Best & Fairest Runner-Up – KAREN UNDERWOOD  
2<sup>nd</sup> Runner-Up – BROOKE ETSCHIED

First of all I would like to thank Tracey Hoklas and all her Div 4 girls for training with us and being our support through the year on Saturdays.

Another thank you goes to Kym Noble who was our Team Manager for the year. She made my job easy by taking over all the paperwork, organizing people to do votes, looking after the netball bags so pretty much all I needed to do was get to training and turn up on Saturdays so thanks again Kym.

We started with 10 girls in our team and by half way through the season were down to 9. Gen and Alice played half a season and then departed our team for trips overseas. So then we were left with 8 thanks for Fiona Habermann who committed to half a season with us, and helped bring our numbers back to 9 players

Unfortunately we had a lot of chopping and changing in our team due to people being placed into div 3 from div 2 people being pulled up to div 2, injuries, illness and being away. Our team had a lot of potential this year and we had some quality players. Unfortunately due to the upheaval each week with players absent, or shuffling up or down from other Divisions, it made it difficult for us to get a rhythm together as a team.

In saying that, we had a great season and a great team. We finished 6<sup>th</sup> overall and I think we could have been in the top four but unfortunately we lost 5 games by 1 or 2 goals which would have made all the difference.

Thank you all again for your commitment to the team, to me and the netball club.

Fiona Hawkes

## Senior 4

The Coach: Tracey Hoklas

The Team:	Amelia Bolt	Sarah Martin
	Paula Fechner	Linda Morgan
	Ashleigh Fox	Rachel Noack
	Karen Fox	Nicole Owen
	Alex Hoffmann	Lisa Stott

The Winners: Best & Fairest – AMELIA BOLT  
Best & Fairest Runner-Up – PAULA FECHNER  
Most Consistent – NICOLE OWEN

The season started with a lot of player movement, which eventually settled into a team of 10. This soon went to 9 and the team was able to settle into positions.

The first round was a mixed bag of results, but there were a few games we could have won, but didn't and our chance at fourth spot slipped away.

The second round saw everyone improve with every game. A big game against Kapunda who beat us in the first round by one goal saw us reverse that result and win by twenty, which gave us a lot of confidence for the rest of the season.

Against Willaston, Sarah went down with a knee injury and we were left with 8 players. I hope to see her back on the court fit and ready to go next season.

Some weeks due to sickness and holidays we were down to 7. Thanks to Lisa for filling in when needed. My uniform came out of moth balls for a while just in case!!

Thank you to Alex Miller who benched and played for us and did a great job against very good opposition.

Everyone had to be versatile and when I asked someone to play out of position, they did and didn't disappoint.

Thank you so much to Lisa for being Primary Carer and for all her advice, for coaching when I wasn't available and listening to me babble on the sidelines on Saturdays.

Thanks to Fiona for all her help and advice at training and on Saturdays. I really appreciated your ideas and opinions. And also to Kym and all Div 3 for training with us and for cheering us on the sidelines on Saturdays.

Congratulations to Paula, Rachel and Nicole who played milestone games this season. Congratulations also to Alex who was in the top 5 for association voting.

Thank you to the Committee for their help and hard work and to Bundy for doing a great job co-ordinating umpires each week and also to the umpires.

Finally I would like to say thanks to all the Div 4 girls for making this season an enjoyable one for me. I couldn't ask for a better group of girls who all got along, always said they understood what I was saying (even when they may not have) and never had any problems (that I know about anyway!).

We could always have a laugh if something went wrong and we had fun. Hope to see you all next season.

Tracey Hoklas

## Senior 5

The Coach:       Bridey Lewis

The Team:	Dianne Bartsch	Bridey Lewis
	Andree Collins	Kate McAuley
	Lee Druwitt	Dora Murray
	Matilda Hoffmann	Sheree Schmaal
	Rebecca Holst	

The Winners:     Best & Fairest – DORA MURRAY  
Best & Fairest Runner-Up – DIANNE BARTSCH  
Coaches Trophy – REBECCA HOLST

Senior 5 had a successful year finishing with 9 wins and 1 draw. The Division 5 competition was extremely competitive with only 5 points separating first position from sixth position at the end of the minor round.

Well done to the team for bonding as a strong group and supporting each other throughout the whole year. You all have been a pleasure to coach and I hope to see many of you being promoted to higher divisions next year.

*Bridey Lewis*

## Senior 6

The Coach: Sonia Malone

The Team:	Brittany Burton	Sonia Malone	Kate Osborne
	Danielle Giles	Kirsty Moore	Jodie Parker
	Kirsty Gilmour	Rebecca Murphy	Jessica White
	Lydia Kalleske	Emily Neldner	

The Winners: Best & Fairest – SONIA MALONE  
Best & Fairest Runner-Up – KIRSTY MOORE  
2<sup>nd</sup> Runner-up – JODIE PARKER

Tanunda netball club was awash with registrations this year and how wonderful that is for netball and our club. Unfortunately for the Div 6 team that meant that following selections we had 16 girls. By the time round 1 came we had 13 super keen girls who decided we would rotate and try and give everyone a fair go whilst trying to remain competitive and chalk up some wins. Running with the 13 in retrospect probably wasn't fantastic for us and gave us a pretty hard first round. By the second round however we had dropped in numbers and had a very committed 10 girls who came to practice rain hail or shine, had begun Tuesday night fitness, had bonded as a team and gave absolutely everything on a Saturday! From the end of round one playing Freeling we could feel and see a change in our team and that things were beginning to click. Only a few weeks later we were able to get our first win over Nuri and ended up winning 3 of our last 5 games, and may I say not just winning but comfortably thrashing! To give a very quick rundown of 'my girls'

**Emily Neldner**- Em was voted our Captain this year and was a big help to me on Saturdays. Em is a great asset to our club working tirelessly this year on fundraising, particularly the bacon and eggs and Netty trip plus coaching the juniors and she still found time to be part of our team

**Kate Osbourne**-Kate was the Vice Captain and a terrific leader. Kate was part of the very solid defence line-once she stopped fainting on court!

**Brittany Burton**- Britt was the baby of our team. It was wonderful to see her grow in personality this year as well in her fitness and netball skills.

**Lydia Kalleske**- Lydia returned to the club this year after a couple of years away. She is a solid defender and a great voice of support on and off the court. Special thank you to Lydia for arranging Tuesday night fitness

**Kirsty Moore**- Kirsty found a niche at WD this year and was a star. There were so many games that I don't think the opposition WA got one centre pass. But she didn't stop there, always offering leads and great defensive work zoning out the goalies. Kirsty was also a great Moral support for me.

**Jess White**- Jess is another of our babies who developed so much this year. Jess did everything I asked her to do made it work, so made me look like I knew what I was doing-thanks Jess!

**Kirsty Gilmour**- Kirsty has to be one of the most committed netballers I have ever seen. Kirsty played GA for us this year. She improved her shooting so much this year through bloody hard work! At this point I'd like to sneak in a thank you to Kieran who spent a lot of time with Kirsty modifying her technique.

**Jodie parker**- Turning 40 during the season Jodie was the veteran of our team (just!)Jodie had 20 years away from netball before joining us this year. You'd never know, Jodie slipped back into netball playing GS for our team. Jodie was a pleasure to coach and another great moral support for me. Jodie was also a great morale booster for all of us via her quirky face book poems on a Saturday morning!

**Bec Murphy**- Bec unfortunately was unable to train or play much with us this year due to work commitments. I hope that she can continue her netball and thank her for her role in our team this year.

**Danni Giles**- Dan joined us about half way through the year. I had the pleasure of playing with Danni all 2009 and was excited to have the opportunity to play with her again, and then she went and broke her Elbow! But as a true team member Dan continued to come to every Saturday game and was a fantastic support from the sidelines.

**Rosie Ward**- Rosie was my team manager this year. There are some Bittersweet memories tied up in this club for Rosie and it took a lot of guts for her to take this role on this year. I thank you Rosie for doing that, I have loved having you by my side and you are a great friend! And I know the girls have enjoyed your support and friendship this year too

I would like to thank my team for their enthusiasm and commitment this year. For putting up with being my guinea pigs in my first year of coaching. You are a wonderful group of girls and I feel I have been blessed to get to know you all and I hope to see you all again around the club next year.

I would also like to thank the committee for their support, particularly Shannon, Paula and Kieran. To all of the other coaches I also say thank you, you all took an interest in our team, supporting us through the tough first round and celebrating with us in our much improved second round! Thank you to Div 5 and their coach Bridey who provided us with match practice, scorers and timers and to the Div 3s and 4s who gave us court time when the 5s were unavailable.

To finish I'd like to borrow a piece of poetry from one of the budding poets in the team this year, our Moorey

**MAGGIES - Mighty awesome girls giving it everything**

**Sonia Malone**

# Intermediate 1

The Coach: Gayle Dawkins

The Team: Hannah Dawkins  
Brooke Edson  
Jessica Fromm  
Flynn McNally  
Naomi Murray

Kiara Pudney  
Sarah Schubert  
Lucy Walker  
Courtney Wood

The Winners: Best & Fairest – SARAH SCHUBERT  
Best & Fairest Runner-Up – HANNAH DAWKINS & BROOKE EDSON  
Coaches Trophy – FLYNN McNALLY

This season I was fortunate to be coaching a talented young group of girls who made up the Intermediate 1 team. With so many different things to attend to on a Saturday and at training besides actually coaching I was keen to get someone to assist me this season. I approached Abbie Dutschke to help me and she thankfully accepted the challenge.

Abbie's enthusiasm and defensive knowledge and skills were a great benefit to the team. At trainings and on Saturdays Abbie would concentrate on and help the defensive end of the court whilst I focused on the attacking and goal circle areas. Thank you very much Abbie for your help and input this season – it was very much appreciated by me and was extremely beneficial to the girls.

At the beginning of a new season I always like to set goals for all players and the team to achieve. These were improving all players netball skills, learning to work and gel together as a team, to make the finals but most importantly that each player enjoys their netball. I am happy to say that we achieved all those goals.

To make the finals was extremely rewarding for everyone considering we didn't have the best start to the season and only won 2 games plus drew 1 game in the first round. Abbie and myself felt we should be doing much better so challenged the girls to win more games in the second round and hopefully we might still get a finals berth. The second round saw us play some wonderful and amazing netball. The girls were really starting to work as a team and all the things we had been working on at training was finally showing out on the court. We won every game in the second round except for one – that one loss was to eventual premiers Gawler Centrals. Our win against Freeling in the last game of the season guaranteed us fourth spot and a First Semi final match against Willaston. Unfortunately we did not play our best netball in the First Semi. Losing Naomi in the first five minutes of the game to a knee injury had an unsettling effect on the girls and we never played to the best of our ability, losing to a fired up Willaston. However, I was very proud of the way the girls played, they never gave up and tried until the end. To even make the finals was a wonderful achievement considering the strength of our Association with the Gawler teams dominance from Senior 1 down to the Intermediate grades.

All players have improved immensely this year with their netball skills and knowledge of the game. What pleased me also was that they were all prepared to listen and take constructive criticism on board. Naomi played Association netball in June and was in the top 5 vote getters for the association, whilst Sarah was in the Regional Squad and competed in Regional's.

A special thank you to Brooke Edson who started playing for us 6 games into the season. Earlier in the year Brooke had decided to concentrate on basketball and because of this couldn't fully commit to netball. But with a shortage of players because of holidays, illness etc. we asked her to help us out and she ended up playing the remainder of the season. A huge thank you to the loyal band of parents who came out every week and helped with scoring, timing, injuries etc. and were an important support network for the team. Thanks also to our umpires and to the committee for all their hard work over the season.

Gayle Dawkins

## Intermediate 2

The Coach: Emily Neldner

The Team:	Maddi Beckamnn	Lydia Hage
	Allyse Chapman	Kate Hueppauff
	May Chmielewski	Stephanie Page
	Alannah Cunningham	Sarah Todd
	Nicole Draper	Charlotte Viergever
	Tessa Greiger	

The Winners: Best & Fairest – MADDI BECKMANN  
Best & Fairest Runner-Up –CHARLOTTE VIERGEVER  
Coaches Trophy – TESSA GRIEGER

This season the Intermediate 2 girls started with 10 players... 8 of those attackers... We had an interesting pre-season, trying to work out who played where and what abilities each girl had. Throughout the season we lost Kate to injury, Allyse to school commitments and Steph to other commitments also. Kate did return at the end of the season, which was great to see! Kate and I were busy bee's in the club this year. Kate often umpired the game before or after (sometimes both) ours and I was the fundraising co-ordinator, so between bacon and eggs, raffles and also umpiring, I'm really glad we got to manage and coach a team at all.

All our team members were lovely girls to coach and grew so much as a team and individuals throughout the season. We had two 14 year olds in our team this year, which was a huge challenge for them to take but I thank both girls for stepping up and starting their Under 17s career early. You both put in 100% each week on Saturday mornings.

Trainings were well attended, sometimes only half heartedly, but mouths moved at hundred km/h speed. The stories they had and the laughs we had were amazingly nice, even if our team meetings meant a little less netball was getting done... Gayle and the Intermediate 1's were a great team to train against as their skill level is very high and were nice enough to pass on knowledge when playing/training against each other on Thursday nights. Thank you also to Abbie Dutschke for warming up the girls if I was late or talking with Gayle.

This year has been a year full of challenges and fun times for me and the Tanunda Netball Club. Thank you to all the parents out there most weeks, the little things like scoring and timing don't do themselves, so thank you! I hope that all my girls continue their journey with the club and their love for the game remains. You are all beautiful minded young ladies who I had so much pleasure in coaching. You were exceptionally behaved presentation night and all looked amazing.

Congratulations to the trophy winners, but your all winners in my eyes.

See you all next season.

## Junior 2

The Coach: Sarah Martin & Lauren Martin

The Team:	Sophie Alderslade	Bethany Roether
	Sophie Clark	Mariah Rossack
	Alex Hewitt	Hannah Strachan
	Sofie Kraft	Brie Tapscott
	Becky Page	Amity Thompson

The Winners: Best & Fairest – SOPHIE ALDERSLADE  
Best & Fairest Runner-Up – BETHANY ROETHER  
2<sup>nd</sup> Runner-Up – MARIAH ROSSACK

This season Lauren and I coached these lovely ladies. We started the season very strong by winning our first two games and drawing the next two, towards the middle of the season we had a rough patch but then finished the season off very strong by beating the teams we had drawn to in the last round. The second to last game of the season we played South Gawler and knew we had to win to make it into the finals as we were playing the top team the next week but unfortunately we lost by a few goals but when we thought we couldn't make the finals the girls played a killer game and ended up beating the top team by 3 goals, but sadly we missed out on finals by percentage. Bad luck girls.

We were very lucky that the girls were respectful and had really excellent manners; it made our job as coaches very easy. They were so enthusiastic to learn new skills and be the best they could be so having girls that determined to be great made it very easy for us. They had great listening skills and everything we taught them they took it on board and it really showed into their netball. For example our very first game the girls were very reserved they needed to get a bit of fight in them. So we made this drill up where we would call out a number and two girls in the team would have same number so whoever got the ball first without stepping or contacting got a lolly. We eventually had to stop the game because the girls started taking each other out. But that next week after our second win we had comments from people saying how much the girls fought hard and really wanted to ball.

A huge thank you to Lauren who helped me a lot throughout the season I wouldn't have been able to do it without her. It was great having Lauren as she would help out with the goalies as I knew more about defence than the goal circle. Also to Sue Martin who would come out and give us coaching tips at the game and would come out and umpire and help coach at trainings so thanks. Also the junior 1s for having a run against us each week was much appreciated.

2<sup>nd</sup> runner up- this trophy was very close as the team of girls we had were all very equal in ability. This trophy goes to a girl that put her heart and soul in the team and it didn't go un-noticed she gave 110% each week and fought hard to the 4<sup>th</sup> quarter congratulations on a fantastic season Mariah Rossack .

Runner up best and fairest- had a fantastic season, was a very strong player and we could always count on her when it was close because she would pull us through right at the end, and many people commented on her through the season saying how talented she is as it was her first season of netball congratulations Bethany Rother.

Best and Fairest- to brilliant netballer with a very successful netball career ahead of her she came second in the association by 2 votes and this is also her first season of netball a well deserved win congratulations Sophie Alderslade.

Sarah & Lauren Martin

## Sub-Junior 1

The Coach: Karen Fox

The Team: Ellen Ahrens Amy Mickan  
Holly Edson Alex Miller  
Nikia Goers Lahni Smith  
Ashleigh Harris Olivia Todd  
Matilda Lienert

The Winners: Best & Fairest – ALEX MILLER  
Best & Fairest Runner-Up – AMY MICKAN  
Most Consistent – NIKIA GOERS

What a great season the Sub Junior 1 team had! Nine players were selected in this team at the beginning of the season. Alex Miller had played the previous season in this grade. Six other players came from either Sub Junior 2 or 3 in 2009. Lahni Smith and Holly Edson were new players to our club. Each of these players demonstrated a high level of skill and deserved to be selected in this top Sub Junior team.

Our season began with a focus on passing correctly and accurately. Much of training time was spent with ball drills and court plays to practice passing hard and particularly passing in front of the player. All of the girls increasing skill was evident by the middle of the season. The players had great footwork skills which meant that we had little need to focus on preventing stepping.

Once the season was underway, the focus was on teaching the player's tactics that would improve their chances of winning games. A particular focus was on positioning in the goal circle, both in attack and defense. The girls enjoyed the opportunity to learn to use their body to protect the space that they needed to rebound the ball effectively and to set up space so the ball could be passed effectively to them.

All the girls in this team were keen to play in a variety of positions. This flexibility enabled me to give equal court time to all players yet still retain a combination on court that was effective.

Thanks to our captain Alex Miller who took on the responsibility of warming up her team mates at training and prior to each game. It certainly makes the coach's role much easier when the captain is as dedicated as Alex is. I was also particularly pleased with the enthusiasm of all players both at training and on match days. The girls were punctual, reliable and always willing to help set up the courts as well as eager to warm up well in advance of the match.

We won many games this year but were a win short of making the finals. There were a couple of games that we lost early in the season that we perhaps could have won which would have put us in to the final four. However, our grand achievement this year was being the only team to beat the eventual premiers of this grade, Nuriootpa, in an extremely close and exciting game in the second round.

Thank you to Jane Miller for her help as team manager each Saturday. Thank you also to all the parents for encouraging their daughter and the team and for their help with scoring, timing and other duties. I also wish to convey my thanks to parents and families for supporting me in my role as coach and for sharing their delight in the team's progress throughout the season.

Congratulations to Alex Miller for winning our teams' best and fairest award, and also for winning the Thelma Murphy Memorial trophy. Alex's netball skills, determination and commitment are outstanding and she is a worthy recipient of the club award. Congratulations also to Amy Mickan, a tenacious and talented player, on her achievement as runner up best and fairest. We certainly had a fabulous defence line! Nikia Goers' improvement over the season in new defensive positions made her a worthy winner of our team's most improved trophy. Well done Ellen, Holly and Olivia for your work in goals this year. These positions are not easy to play and carry with them a high level of responsibility. You all willingly learnt new skills and demonstrated these in each of the games and most importantly, you were always willing to shoot rather than pass! Lahni and Matilda both played many fabulous games in the centre court and we relied upon their attacking and defensive skills in every game. Ashleigh displayed great defensive skills in both GK and WD. Ashleigh is very much a quiet achiever and her determination to improve her skills was demonstrated week after week.

Finally, to all players, thank you for making this year of coaching such an enjoyable and rewarding one.

Karen Fox

Best & Fairest Runner-Up – LAUREN HUTTON  
Coaches Trophy – ELISA TROTTA

Season 2010 was certainly a successful one for the Sub-Junior 2 squad. We only lost two games for the whole season....ironically the first and the last!! And to lose those two games by 3 and 1 goal respectively highlighted how close the top 3 teams were. In fact we sat second on the ladder all season until the final game of Round 2 where our win against Freeling and Centrals having the bye put us on top of the ladder for all of a week.

Our Second Semi-Final win against Centrals was simply outstanding, winning 28 – 13 in wet, windy conditions. The game was relatively close up until three quarter time, score line 18 – 13.....but our final quarter saw us blitz them all over the court, scoring 10 goals to nil.

Grand Final day saw us playing against Freeling who had won the preliminary final in another close encounter. Having only previously beaten Freeling by 6 and 4 goals we knew this wouldn't be an easy game. And Freeling were pumped having beaten the team who had sat top all season. Our opening quarter was perhaps our best....we settled well, shot brilliantly and confidently, and late in the quarter turned around a few balls that saw us in front by 5 at the break. But we didn't build on that lead in the second term. We still played good netball and both teams made errors. The third quarter saw us make more errors and Freeling were able to play catch-up netball, equalling the score by three quarter time. The last quarter saw the lead see-saw.....both teams fought valiantly to the end and for us to go down by the narrowest of margins was indeed disappointing for us all. But again I say congratulations to all players for their spirit, their enthusiasm, the ability to feel the disappointment but also celebrate playing in a grand final.

Some interesting trivia re our season. We won our games by an average of 26 goals, scoring 536 goals for the season and winning the Sub-Junior Goal Throwing for the Association. Lauren Prior also took out the Best and Fairest for Sub-Junior 2 for the Association and won Best on Court on Grand Final day. She capped off her season with the Club Best and Fairest....not bad for a player in her first season of netball!!

Congratulations to my other trophy winners – Lauren Hutton and Elisa Trotta and well done to all members of the team for their own individual level of improvement.

Thanks to all parents who took to the sidelines each week and looked after all the administration required for each game, especially the extra duties associated with home games. Thanks for supporting your girls and also supporting me by getting kids to training and games each week. Thanks also for encouragement throughout the season and especially in the Finals. Special thanks to Rachel Clark who was my Duty of Care person all season and to Leanne Hutton who sorted out my duty roster at the top of the year.

Thanks also to Karen Fox and Mel Haines, coaches of SJ1 and SJ3 respectively, who supported trainings and filled in when I was unable to be at a training. Special thanks to Karen and her girls who trained with us throughout the finals and gave us excellent preparation for the finals.

Thanks also to the committee for their work - so many individuals help make a club tick. Well done to all "players" in that team.

So endeth another season.....most enjoyable and satisfying and I look forward to watching these girls continue their netball careers in 2011.

## Sub-Junior 3

The Coach: Mel Haines

The Team:	Georgina Frost	Kelby Hunt
	Jadzia Gladigau	Ella Slape
	Katie Hall	Annabel Smart
	Zoe Healy	Shannon Smith

The Winners: Best & Fairest – ZOE HEALY  
Best & Fairest Runner-Up – KELBY HUNT & ANNABEL SMART  
Most Improved – SHANNON SMITH

Eight enthusiastic youngsters from start to finish. A challenging yet rewarding season with wins and losses. Some games were battled well and others were a little lack lustre

Zoe Healy received strong BLG voting and placed third overall. Well deserved recognition for a strong and consistent performer.

Several other players have attended Regional Academy try outs and if placed will benefit greatly from the experience.

Most players would be suitable for progression to the next level in the following season and will enjoy each learning challenge as it is presented.

## Primary - 1

The Coach: Maria Fraser

The Team: Abby Brooks  
Isobella Brown  
Ellie Clark  
Stella Fraser  
Maggie Henschke

Sadie Leinert  
Tayla Pudney  
Bianca Puliatti  
Jordan Turley

The 2010 Primary 1 side had nine regular players who were aged between eight and eleven years. This year was the first time they had played together as a team.

This year the Association changed the ruling for this age group and decided not to have a premiership table and had a Carnival at the end of the season instead, which I didn't agree with. On the Carnival day we ended up coming third with some of our team being unavailable for the day for a lot of reasons. Unofficially, the Tanunda Primary 1 team ended up on top of the ladder at the end of the season which was a great achievement.

During the season the girls lost three games for the year. They shot 169 goals for and had 99 goals against. Late in the Season, against Angaston, in the pouring rain, they shot 29 goals. It has been a great year for this team as they all tried their hardest at the positions they were given on the day. With full rules played they all understood and listened to the umpire.

In closing, I would like to thank Sue Clark for being our primary carer all year and the parents for timing and scoring. It was good to see so many families coming out on Saturday morning's and supporting the girls. This year we are losing one of our and coming players in Ellie Clark as her family is moving to the NT, we wish you all the best.

Keep up the good work girls and hopefully we will see you all back in 2011 playing great netball.

## Primary - 2

The Coach: Kirsty Roehr

The Team:	Lane Blieschke	Taylor Mifflin
	Maeve Clementson-Duncan	Hana Pitman
	Jemma Heuzenroeder	Elise Reed
	Grace Mackenzie	Chloe Roehr

Well done girls, you put in a fantastic effort all season.

You really came together as a team, backing each other up and talking on court. It was great to see your skills improving each week. A couple of the biggest improvements I noticed were reduced stepping, leading into space and cutting in front.

Thank you to all the girls for giving your best effort in all positions, I hope you enjoyed your season & hope to see you all our again next year.

Thank you to Maria & the primary 1 team for the training sessions each week.

Thank you to Michelle for filling in as coach at our home game against Nuriootpa. I was still there watching and it was a nail biter that finished in a draw.

Thank you to Deanna for your help throughout the season.

Also thank you to the parents for your help with scoring, timing & support on game day – I appreciated it greatly.

## NETTA TEAM

Coached by: Karen Underwood

Back: Karen Underwood (coach), Crystal Spehr, Maisie Wellesley-Davies, Abbey Underwood  
Front: Georgia Germein, Lucy Anderson, Lucy Madden, Ashlyn Sherrah, Stephanie Mifflin

Six of these eight players played in Netta 2 in season 2009 and we had two additional players who played their first season with Tanunda Netball Club (Lucy Madden and Crystal Spehr).

All girls experienced all positions on the netball court and equal court time was given throughout the season. In each and every game they displayed enthusiasm and determination. Their skill level improved as did their ability to play in different positions. The Netta 1 team were a mix of students from Tanunda Lutheran School and Tanunda Primary School. They were a great group of girls to coach. They were kind, caring and spoke positively of one another. It made my job of coaching them so much easier by having such an enthusiastic and talented group of girls. The girls were keen to attend trainings and enjoyed being taught specific netball skills whilst having fun. The girls showed respect and commitment even though they knew my primary goal was for them to have fun.

I would like to thank the parents of Netta 1 players who provided constant support throughout the season. Thank you for bringing your children to training and coming to Saturday games not only to support your own child, but also to encourage every member of the team. There were always plenty of people to lend a hand and do duties such as timing and being Personal Carer. Thanks to Toby Mifflin who joined the TNC committee half way through the season. Our first aid box never looked so good with Toby ensuring we had the necessary tape for bandaging up little kids knees.

I would like to thank Anne-Marie Reichstein and the Netta 2 team for training with us on Thursday nights. A big thank you to Anne-Marie for her friendship and support throughout the season.

I would like to thank our President of the Tanunda Netball Club, Shannon Moen. Shannon has made many positive changes to the netball club this year and has played an active role in ensuring her presence was felt at training and on Saturday games.

Thank you also to Sonya Miegel for organising umpires and thanks to everyone who has given up their time to umpire throughout the season.

Thanks to Deb Miles and all the committee members who work behind the scenes to promote and develop the Tanunda Netball Club. Your work is very much appreciated.

I thoroughly enjoyed the opportunity to coach the Netta 1 team in 2010. I hope to see all the girls back at Tanunda Netball Club in 2011.

## NETTA 2 TEAM

Coached by: Anne-Marie Reichstein

Back: Anne-Marie Reichstein (coach), Melody Klingner, Lauren Pullan, Margot Pick, Maya Mills  
Front: Eliza King, Cassidi Matte, Lucy Fielke, Charlotte Bosward, Emily Hartigan, Sophie Riethmuller

Our season began with an enthusiastic group of ten girls who were eager to learn the basic skills of netball. The girls' skill level and experience with the game of netball varied; some had never played before, whilst many had participated in the Net Set Go programme from last year, with only one player having already played a full year of Netta 2 in 2009. Despite these differences, the girls were keen to extend their skills as a team during practices and these sessions became crucial for their continued development. The emphasis for each session was to promote the basic skills of netball whilst having fun at the same time. It was important to initiate this approach right from the start so that the girls valued their level of participation in the game without focusing on the goals being scored. Netta 2's modified rules promote an appreciation for the game without the need for recording the goals. I was very determined to ensure that my team would enjoy the journey each week and adopt a positive attitude towards the game of netball whilst instilling a sense of fun amongst the team. We were fortunate enough to have the Netta 1 girls to train with, under the competent coaching of Karen Underwood. During these early training sessions, we focused on basic netball skills including how to throw the ball, the importance of using the correct foot skills, the difference between attacking and defending and how to throw goals. Within this time, I also adopted netball drills that would help them to understand the rules of netball. Each training session was divided into specific sections to ensure that the girls remained engaged, with the emphasis on 100% participation. The initial warm ups involved light jogging/walking followed by dynamic stretches, a fun running game, basic skills drills and then a practice game. The girls quickly adjusted to the training routine and set about undertaking each section with determination and commitment.

Our early experiences on the netball court were overwhelming, nerve wrecking yet very encouraging. I believe the girls really enjoyed wearing the official Tanunda uniform and they wore it with a sense of pride. This helped them to become familiar with the rituals of netball on game days. With parents and friends on the side lines, the stage was set for a promising season of netball, filled with anticipation and fun!

The sudden change from training to the real game was challenging but they all remained focused and endeavored to listen to my instructions, despite the consistent rotations that I adopted. With ten players, I made sure that everyone had equal court time and was given experience in a different position each week. I was very mindful of the Netta 2 philosophy of changing players at every break, yet my early rotation system proved to be a little too confusing for the girls as they were still learning the positions and became disorientated if they were moved. I learnt to adjust my rotations by trying to keep the girls in either attacking or defending positions for the duration of the game. This proved to be more successful as the weeks progressed and as the girls became more proficient at their positions.

As the season progressed, their understanding of the rules improved, allowing them to work more effectively as a team on the court. They also learnt to extend their basic netball skills, especially their accuracy in ball throwing, their ability to defend their opposition and their attacking skills in moving the ball down the court, due to the repetition of drills and the participation in games against the Netta 1's during training. I was very impressed with the girls' ability to accept constructive advice and their willingness to take on any new position that I gave them throughout the year.

Whilst goals evaded us for a large part of the season, no one would have known at the end of each game, given the smiles and accolades from the girls, their parents and myself. My aim was to ensure that the girls felt positive about being part of an inclusive team who valued every player for their contributions on the day and I believe that we succeeded in achieving this.

Our last five games were very exciting with the girls finally showing some real potential in the goal ring, along with a strong defensive game to reinforce their strength across the court. Their attacking positions down the court became stronger but it is still an area that needs to be developed for next year. The following poignant comment from the girls epitomised the season that we had, 'It doesn't matter how many goals we scored, as long as we had fun playing the game!!'

I must sincerely thank the fantastic group of parents who came out each week in mostly pleasant weather conditions to help with timing, first aid, setting up the court and generally to support the team. Finally, I must thank and congratulate the wonderful group of girls for their positive, energetic approach to the season. It has certainly been a productive year; one that I have thoroughly enjoyed and will always remember.

**NET-SET-GO**

Coach- Toni Martin

Assistant- Justine Smart

### Players

Stacey Thom, Tahlia Graetz, Neeve Reimann, Bethany Wood, Bonnie Graetz, Paige Pitman, Hayley Ellis, Bethany Hayes, Georgie Smart, Scarlett Schmidt, Halle Martin, Jacinta Grocke, Indiah Graetz, Mei Willis, Zoe Schultz, Madeline Fechner, Frayer Hongell, Viene Gladigau, Paige Carman.

Well what a wonderful 10 weeks of netball from our future netball stars! Firstly I would like to thank Justine Smart for her help each week out on the court, I really don't think I could have done it without you.

I have coached a few teams in my past but I must admit this was one of my most challenging tasks, trying to get nineteen 5-7yr olds all listening and standing still at once is quiet impossible but in the end the job was done. It was fantastic watching how much everyone improved week after week, it's a great feeling to see how much you can achieve in a short hour.

Thank you to the parents who supported their kids, it was wonderful to see how committed, excited and willing to learn the girls are each week.

Good luck to the girls moving up to Netta and for everyone else, hopefully I'll see you next year.

Cheers
